Good afternoon sir,

Attached is the word document I created with all of the RS's recommended RO comments. I also included notes from a few that had lackluster recommended comments, and can do the same for any others that need them. We are still missing a few RO worksheets, so I will continue to add those comments as I receive them. I also have this in Google doc in the same folder as the RO worksheets: <https://docs.google.com/document/d/1QPfJPoPszc3t0CY20vuQLiOesE7KcG1sOM77JIKHZQQ/edit?usp=sharing>.
